Refund Policy

Please note that we will only accept refund requests until August 1st, 2026. After this date, we can no longer provide a refund.

We cannot accept requests made by private message on Twitter, Telegram or any other social media or methods. Refund and rollover requests must be made via the "request refund" tab on concat.

Refunds and rollovers must be requested from the email address used to register. Failure to do so will delay the processing of your refund.

If you purchase a registration for someone else, it belongs to them, and they have the right to decide if and how they wish their registration be refunded or rolled over, subject to the refund/rollover rules.

Requests made after the cutoff date

For those who find that they will be unable to attend the convention after the refund deadline, you may request that your registration be rolled over to the following year. Rollovers have no cash value, cannot be refunded at any time, and will only be good for the following convention year. If the rollover is not used the following year it will be forfeit.

If you request a roll over, you will receive the following:

- A voucher equal to the cost of a standard attendee registration for the following year
- If applicable, convention swag of the purchased year rolled over will be shipped to you
